_____ Session 2: May 2nd – June 6th

Open to kids in grades 1 through 8, who are non-riders, aspiring riders, and beginner through intermediate riders. Open to children not currently enrolled in our riding lesson program, children enrolled in riding lessons elsewhere, and children currently enrolled in our riding lesson program.

For Capstone Farm riders: this program is recommended for riders with little to no horse handling experience, and children who have participated in our beginner camp.

Program activities include learning to:

Groom, tack, and lead the horse, identify colors and markings, feed and care for the horses, muck stalls...
And More!

Your child should bring a water bottle, and **boots** (if they are waterproof or heavy duty that's best). Your child should **dress for the outside temperature**. This includes warm coats, hats, gloves, and if necessary, long underwear. Children can take off layers as they warm up. We do have a heated space if the temperatures dictate it, but will also spend time in unheated areas.

Please alert us if your child has any allergies and/or carries an EpiPen.
